GENERAL REMARKS

The annual report of our School Board is again called for, and it is with a pardonable degree of satisfaction that we ask you to look with us over the past year of school work.

To our knowledge there has been no serious difficulty or drawback in any quarter.

We find a great scarcity of well qualified teachers willing to work for the money offered in our schools, and we believe that the extra dollars expended for teachers this year have been well repaid, in the good work accomplished by these teachers.

It was the intention of the School Board to have the children of La Clair school transported to the Center, but were disappointed, only being able to procure a team for 13 weeks, Mrs. Eva B. Gould being hired to teach a one session school in that division for the remainder of the time.

We regret that the winter term in Marshall and Quaker City schools was shortened for unavoidable reasons, but shall hope that the spring term may in a measure make up the deficit.

By an act of the Legislature, we are obliged to recommend to the Selectmen the amounts needed during the coming year for high school tuition, books, supplies, flags and appurtenances. We therefore recommend for

High school tuition,	$20 00
Text books and supplies,	75 00

We do not think any appropriation will be necessary for flags, as new ones have been purchased this year.

Too little interest is taken by parents in school matters, as is shown by visits in the school room and by the regular attendance of children.

As shown by our annual report to the State Board our

record for 1910 is not as mnch of an advance as it was hoped on previous years.

Per cent. of attendance for 1908,	86.54.
Per cent. of attendance for 1909,	89.94.
Per cent. of attendance for 1910,	90.66.

May we ask for a more united effort during the coming year for successful work in our schools.

Respectfully submitted,

SPEDIE A. NEWTON,
EMMA L. STOWELL,
CARRIE E. REED,
} School Board of Unity.

I hereby certify that I have examined the account of the School Board, Treasurer, and Trustee of the Keyes Fund, and find them correct and supported by proper vouchers.

EVA B. GOULD, Auditor.
